

Gamzio Squeeze Page Video Script

JAY (ON CAMERA): Are you frustrated being shut out of windfall IPOs like Twitter? Or missing the boat on lucrative investments because the wealthy and well-connected always get there first? Well, with this opportunity you can never say “if only I had known.” Because in a matter of seconds you will. And I assure you, you’ll be among the first. I’m Jay Deiboldt, CEO of Gamzio. And I couldn’t urge you more strongly to fill in the form at right and review our investor’s slide presentation. Why? Because you’ll discover that our Social Casino Game business is perfectly positioned to grab a huge chunk of this exploding \$2.8 billion industry—projected to soar to \$7 billion by 2015! Read our report. See how much more technologically advanced we are than our competitors... how our flagship gaming app has *already* amassed 12,000 downloads and earned a 4-1/2 star rating among users... how our proprietary secrets for monetizing our games are way ahead of the others... how we’ve recruited top industry experts in finance, design, programming, and marketing... and how you can earn a guaranteed 12% return on your money...and that’s just for starters. There’s a lot more. Just read our PDF presentation. Then decide for yourself if this isn’t the investment of a lifetime. (POINTS TOWARD THE FORM) See you again in a bit.
